

ATLANTIC VINTAGE MOTORCYCLE SOCIETY

EST 1979

www.avms.ca

We are a non-profit organization of more than 100 vintage motorcyclists based in Halifax, but spread throughout Nova Scotia. New members must be sponsored by an A.V.M.S. member in good standing. If you have no sponsor you must attend at least one club ride or event to introduce yourself, meet club members, and acquaint yourself with how A.V.M.S. operates before paying annual dues. New members must be voted in at one of the monthly meetings and they must be in attendance at said meeting to be inducted into A.V.M.S. Exceptions may be made in cases of long traveling distances and inconvenient timing to attend a meeting. The schedule of events is on the club web site above. A.V.M.S. also has a Facebook page.

Membership does not require that you own a vintage motorcycle. For A.V.M.S. purposes, any motorcycle from any manufacturer, 25 years and older, qualifies as a vintage motorcycle. Any motorcycle 30 years and older may now be registered in Nova Scotia as an antique vehicle and be issued an antique licence plate.

The membership year begins on 1 April. Annual dues are \$25.00 (\$30.00 family*). The intent of a family membership is to encourage your spouse and children to participate in club activities. All new members receive a membership card and a club jacket patch. During the riding season there are scheduled rides and events from May until October. Business meetings are held year-round on the first Thursday of each month at 7:30 PM. A club newsletter is published and distributed by email.

Persons wishing to apply for A.V.M.S. membership should contact the secretary below.
